We hope to get additional job order request," he said.

Hassan added that the 144-page album is not yet available in the UAE but may be in bookstores in the future.

Oriental Press have been assigned as exclusive printers of the album and will be involved in

preparing more copies once they receive an order from the publisher to do so.

As for the cost of the album, he said, "Only the publisher can ascertain the price of the book so we do not know the sales price of this book."
